Warrington Hospital

Altro Cantata the tough time saving solution

“Altro Cantata delivered a massive saving in cost, and the corridor was back in full use the next morning.”

Lee Bushell,
Head of Capital Estates

Warrington Hospital

Altro Cantata the tough time saving solution

Issue

Altro Cantata adhesive-free flooring provides a tough time and cost saving solution in a busy corridor, at Warrington Hospital.

Lee Bushell, Head of Capital Estates, says:

“The service corridor is an area with a large amount of daily traffic. The existing vinyl flooring was showing the strain, and we needed to find a hard wearing, affordable, long-term solution that could be laid with minimal disruption.

Approach

Altro flooring was proving very successful elsewhere in the hospital, so we asked Altro for some guidance. They suggested we use Altro Cantata adhesive-free flooring, which can be laid on the existing flooring, without adhesive, for a fast installation.

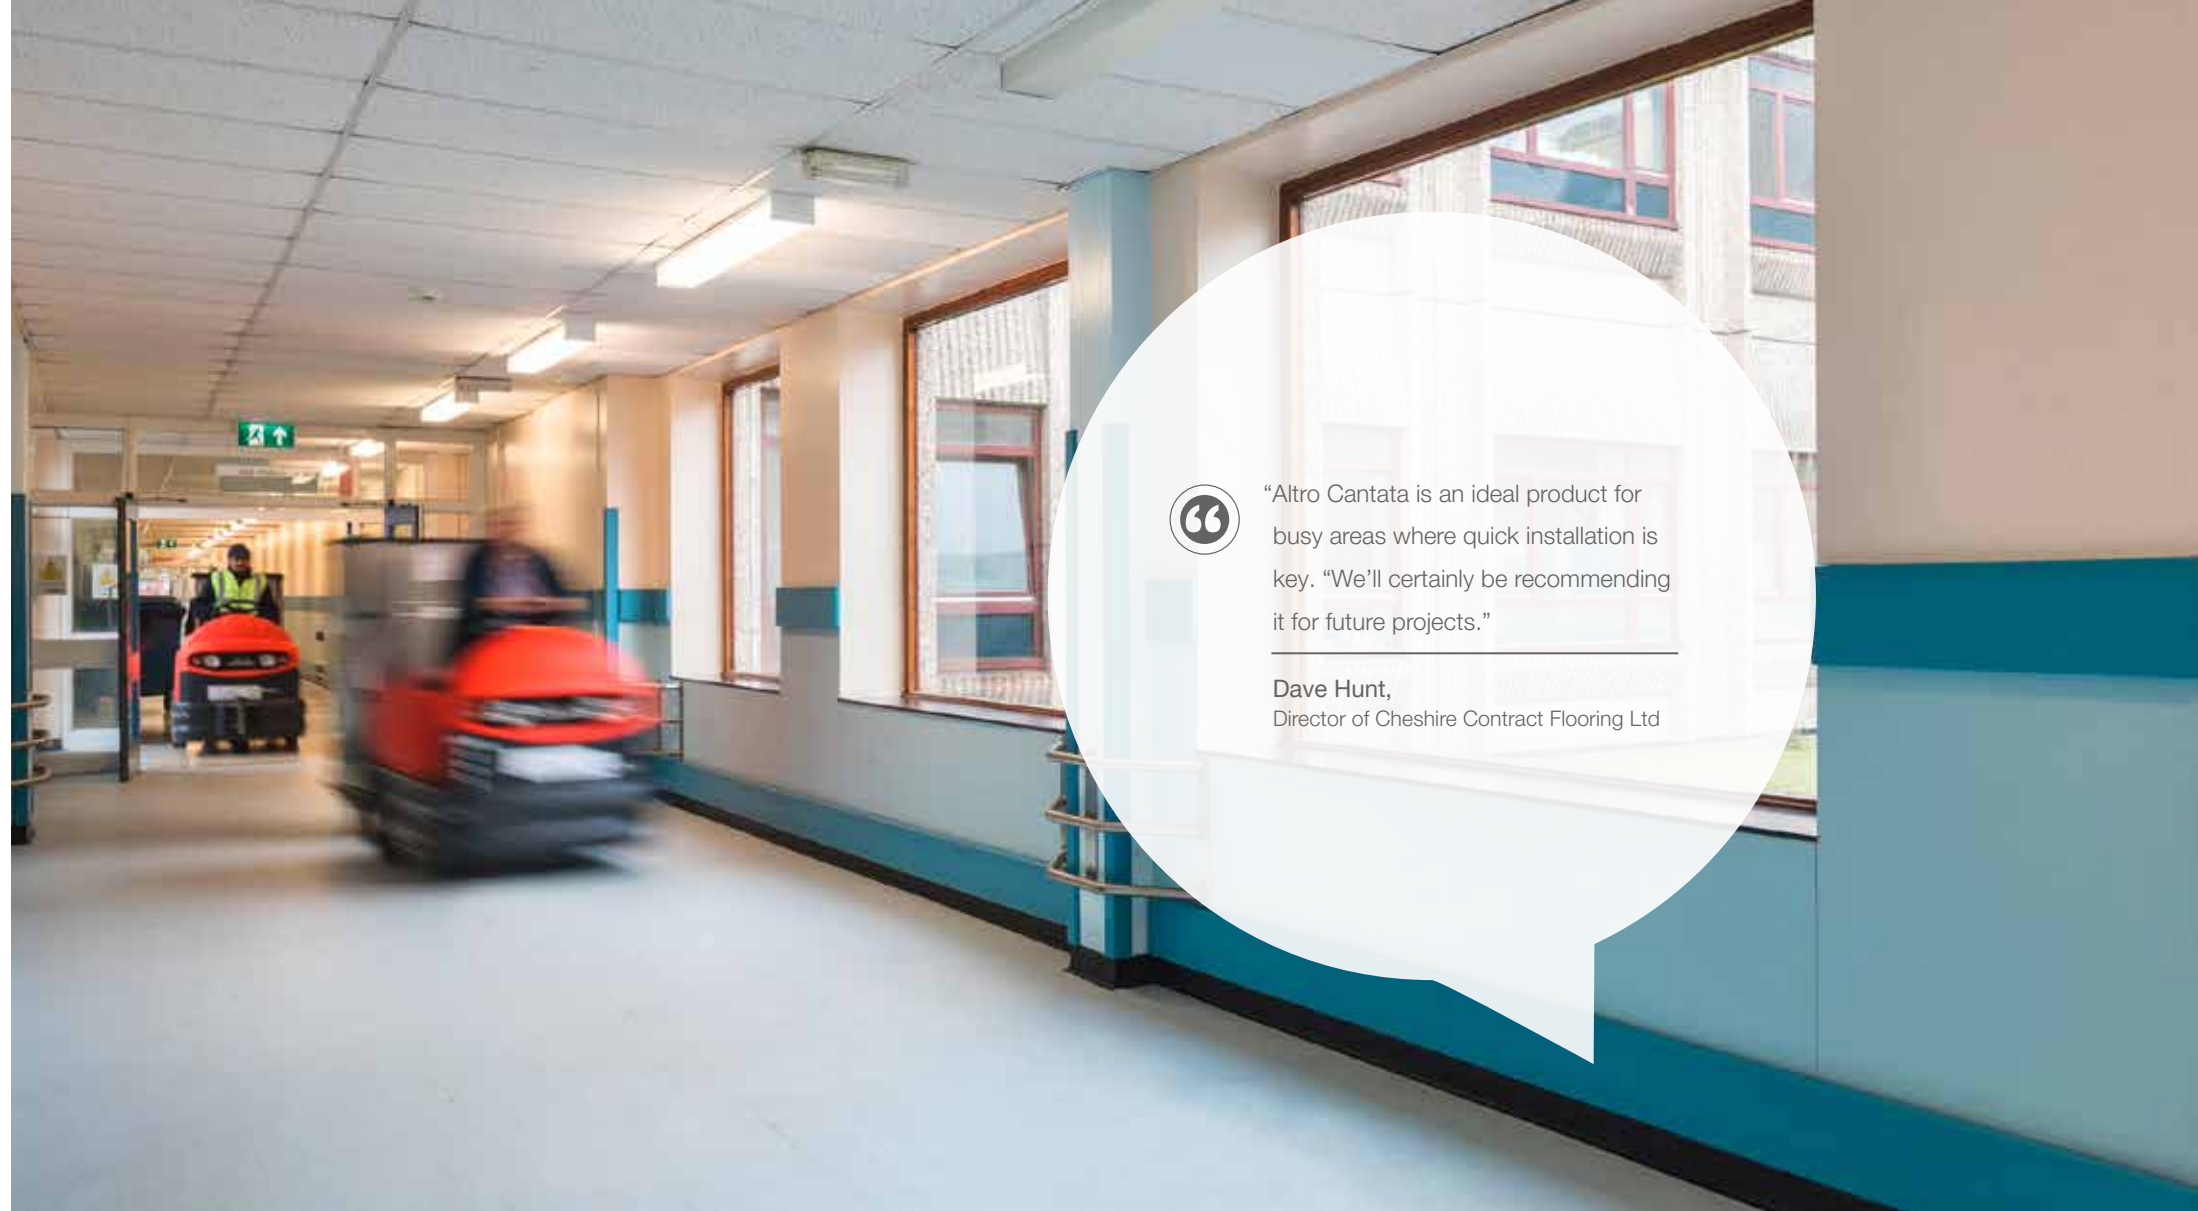

Solution

Altro Cantata stands up to the demands well with no signs of movement, proving it is a long-term solution. Very impressive. The flooring looks superb and there are some great colour choices.

Cleaning is a revelation. Black scuffs and wheel marks were always tough to remove. But now the flooring comes up like new after every nightly cleaning regime.

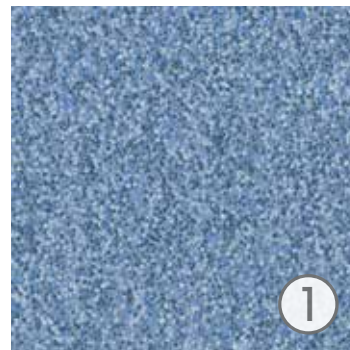

Sustainability is important too. As an adhesive-free flooring if we need to make repairs, we can cut out a section and replace it, not re-lay the entire area. The product is 100% recyclable too. It meets our needs in terms of cost saving, durability, looks and hygiene.

Altro Cantata was installed at Warrington Hospital by Cheshire Contract Flooring Ltd, specialists in installing flooring in healthcare areas and who understand the pressures of timing and cost.

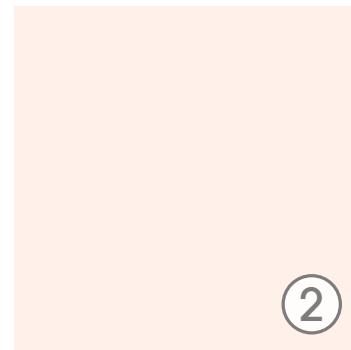

“Altro Cantata is an ideal product for busy areas where quick installation is key. “We’ll certainly be recommending it for future projects.”

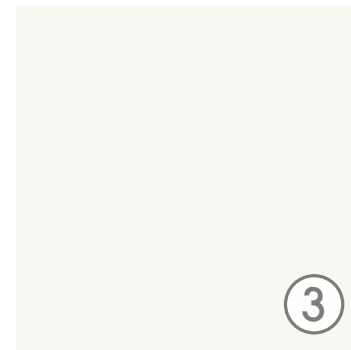

Dave Hunt,
Director of Cheshire Contract Flooring Ltd

Looks great with:

1. Altro Pisces™
2. Altro Fortis Titanium™
3. Altro Whiterock Satins™

Altro Cantata is a decorative, adhesive-free floor that creates maximum impact with minimum downtime. Using our award-winning adhesive-free installation method, it can be welded and walked on the same day, and at the end of its life can be removed easily, allowing it to be reused or recycled. It is ideal for busy public spaces where disruption needs to be minimal, plus there are no associated adhesive odours. Altro Cantata’s 16 soft-look shades, which range from subtle naturals to beautifully vivid, enable you to set the desired tone yet it also has the durability needed for medium to high traffic areas.
