

ABOUT CLC GROUP

A REPUTATION TO MAINTAIN

CLC is a national property and asset maintenance contractor with a commitment to providing our clients with a high quality, reliable and safe service.

In the last 50 years, we have grown from a specialist painting contractor into a multi-trade business, expanding our services across multiple sectors with a skilled and experienced workforce of over 1000 employees based across 13 branch offices throughout the UK.

WHAT WE DO

We help clients transform and maintain their buildings, homes or infrastructure. We work for a significant number of clients across a variety of business sectors providing the following services:

- ✔ Building Refurbishment, Repairs & Alterations
- ✔ Kitchen & Bathroom Replacements
- ✔ Decarbonisation & Retrofit Works
- ✔ Disability Adaptations
- ✔ Electrical Installations, Maintenance & Commissioning
- ✔ Fire Protection
- ✔ Small Building Works
- ✔ Transmission Tower Maintenance
- ✔ Roof Upgrades & Repairs
- ✔ Cyclical Painting & Decorating

Housing

Commercial and Retail

Healthcare

Hotel and Leisure

Education

Utilities and Industrial

We have worked with CLC for over a decade during which they have provided a professional service and delivered outstanding quality on both large and small refurbishment projects. The whole team are a credit to their organisation and often drive efficiencies into our programme from their learnings in other sectors.

- Senior Project & Programme Manager,
Whitbread PLC

THE CLC WAY

- ✔ **Delight our customers** - By exceeding our client expectations, we aim to create long standing relationships with our customers.
- ✔ **Deliver on our commitments** - We do what we say we will, for our customers, staff and suppliers.
- ✔ **Dare to change** - Our culture is based on continuous improvement and we are always seeking ways in which we enhance service delivery.
- ✔ **Develop our people** - We believe success comes from motivating people and maximising their potential.
- ✔ **Drive for results** - Through empowering our staff and working in partnership with our supply chain and clients, we can work together to ensure an excellent services and value for money is achieved.
